IAM HEALTHCARE PCA/T UNION UPDATE

- The PCA/T Bargaining Committee has secured September 10th as the first day of negotiating with OSU.
- This is another step towards PCAs and PCTs gaining the respect and dignity they rightly deserved.
- The Petition for Safe Staffing is still available, and you can access it [here](#).
- Every PCA and PCT should sign the Petition!
- The Ohio State Employment Relations Board is currently investigating the unfair labor practice charge we filed against OSU for withholding the merit increases.
