YOUR BARGAINING COMMITTEE PROPOSED MAJOR HEALTH & SAFETY PROTECTIONS

THE UNION PROPOSAL ADDRESSES WORKPLACE VIOLENCE PROTECTIONS,
INFECTIOUS DISEASES, SAFE PATIENT HANDLING, EQUIPMENT & TRAINING

- PCA Lyndsee Cody made a statement concerning safety equipment and the importance of proper training to reduce injuries. Lyndsee said: **“On -the-job injuries affect our families and impact our ability to provide safe patient care.”**
- PCT Dylan England-Carroll spoke on the importance of preventing workplace violence: **“Employees should not have to come to work anticipating physical violence,”** said Dylan **“We need a structure in place for us to review and prevent incidents of violence”**
- PCA Kelly Williams spoke on infectious diseases: **“Knowing there is an article in our Union contract for infectious disease prevention shows our members’ safety is a priority.”**
